12/30/2021

Dear Residents and Family Members,

All staff members and residents at the Health Services Center (HSC) were tested for the COVID-19 virus this week. Test results did confirm 2 additional staff members at HSC to be positive with the virus. No residents have been identified to be positive for the virus.

We understand these are challenging times for everyone. Please know that we are continuing to follow CDC guidelines as well as the directives from our assigned Los Angeles County Department of Public Health Nurse, to ensure we are taking the appropriate steps under current circumstances, to limit the spread of COVID-19 within HSC.

If you are not feeling well or have been exposed to the COVID-19 virus, please contact Vanessa Ramirez (Admissions Counselor) at (909) 399-5550 to cancel your visitation. Visitors who developed COVID-19 signs and symptoms and/or have a positive COVID-19 test within 14 days of visiting the facility are to notify the Health Services Center.

If you have any questions please contact us at (909) 399-5550, email us at [vramirez@pilgrimplace.org](mailto:vramirez@pilgrimplace.org), or visit our website [www.pilgrimplace.org](http://www.pilgrimplace.org) for updates.

Stay safe and warm regards,

Pilgrim Place Health Services Center
